WHY CHOOSE LINNEA MILLER

A leadership keynote speaker who has done the work she talks about

Speaking from practical experience

Over two decades of experience across all types of leadership development - not theory from the sidelines, but lessons earned in the room with real leaders and teams.

Certified expertise

Certified in GiANT Worldwide, the 6 Types of Working Genius, MBTI and Empowered, Linnea brings proven systems and actionable frameworks - with the history and application to make them land.

Award-winning recognition

Long Table has been recognized by the Gwinnett Chamber as 2024 Small Business of the Year and with the 2020 Moxie Award for Greater Good.

Proven impact

Successfully engaged and developed leaders and teams across 100+ organizations - from small businesses to established enterprises.

SIGNATURE KEYNOTES

Talks built to move a room

**Conquer Chaos and Find Fulfillment**

Finding peace in a chaotic world. Using The Peace Index, Linnea helps audiences name what is really draining them and take practical steps toward a more grounded, fulfilling life and career.

**Cracking the Communication Code**

What if we could give each other clues to decode the complexity of human communication? Linnea unpacks a practical language for understanding one another - so teams connect faster and conflict gets healthier.

**The Culture Greenhouse Effect**

Every culture is a greenhouse - an environment that quietly decides whether people wither or thrive. Linnea shows leaders how to tend the conditions that let their people flourish, so performance grows naturally instead of being forced.
